Liberal Democrats

The Conservatives have plunged the NHS into crisis.

Local health services are under immense pressure following years of under-investment and mismanagement by the Conservative Government.

People are no longer certain that when they need medical help they can get it. When they ring 999 they don't know if they will get the emergency treatment they need in time.

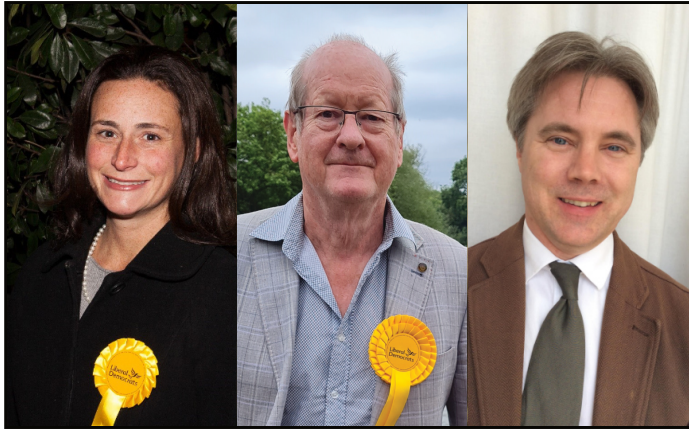

Liberal Democrats would ensure everyone can get an appointment when they need one and get the treatment they need.

Time for change!

The Conservative Government have taken North Northamptonshire for granted for too long. We are all paying the price, with higher bills, longer waiting times and raw sewage in our water.

Liberal Democrats will offer a new, fairer way - not the same old Tory chaos.
