Christopher Townsend

A strong voice for Wellingborough and Rushden

Better access to GP and dental services

Everyone should be able to rely on quick access to high-quality local health services, especially with our area's recent growth.

Christopher is demanding a new deal for dentists and GPs so you can get an appointment when you need one.

Tackling the cost of living crisis

The Conservatives have wrecked the economy, leaving people struggling.

Christopher will work with you, making the hard choices needed to build the strong economy and caring society that you deserve.

Protect our local environment

Christopher and the local Lib Dems will work for urgent action to restore the UK's natural environment.

This means measures to stop pollution of our rivers, preserve our green spaces and build renewables to cut energy bills.
